Temecula, CA 92592

Temecula Valley Unified School District Board Members:

We are writing to express our full support for the leadership of Dr. Jodi McClay as superintendent of the Temecula Valley Unified School District.

Dr. McClay's more than two decades of service are a testament to her steadfast dedication to the Temecula Valley community. As superintendent, she has demonstrated a deep commitment to meeting the needs of all students and ensuring that they have access to a safe, supportive learning environment. Dr. McClay's focus on innovation, collaboration, and community engagement has been instrumental in driving positive outcomes for students and improving the lives of families in Temecula.

Dr. McClay's leadership was noteworthy during the COVID-19 pandemic, as she worked tirelessly to create a strategic plan to ensure students had access to remote learning tools and resources. Under her leadership, TVUSD was one of only four Riverside County school districts to return to in-person learning in spring 2021. Dr. McClay's proactive approach to addressing the unique challenges posed by the pandemic was exemplary and under her leadership, the Temecula Unified School District was a beacon of light for students during an unprecedented difficult period.

We are honored to have Dr. McClay as an esteemed member of the Association of California School Administrators, and we hope to continue to work alongside her in support of the community she serves. We stand with her and offer our unwavering support for her leadership of the Temecula Valley Unified School District.

Edgar Zazueta, EdD  
Executive Director  
Association of California School Administrators
