Sunol Glen Unified School District Board Members:

We are writing to express our full support for the leadership of Molleen Barnes as superintendent of the Sunol Glen Unified School District.

Ms. Barnes has been an educator for more than 30 years and her nearly two decades of district leadership and support for all students are a testament to her steadfast dedication to the Sunol Glen community. As superintendent, she has demonstrated a deep commitment to meeting the needs of all students and ensuring that they have access to a safe, supportive learning environment. Ms. Barnes' focus on collaboration and community engagement has been instrumental in improving the lives of families in Sunol Glen and driving positive outcomes for all students.

Ms. Barnes has proven that leadership matters in the Sunol Glen. In January, she played a critical role in uniting members of her community after flooding impacted her campuses, teachers and students. In 2022, she helped garner support for a school bond to support campus improvements. Year after year she has been proactive in addressing the unique needs and challenges of Sunol Glen. Her leadership and vision have been catalysts for supporting all students during periods of change.

We are honored to have Ms. Barnes as an esteemed member of the Association of California School Administrators, and we hope to continue to work alongside her in support of the community she serves. We stand with her and offer our unwavering support for her leadership of the Sunol Glen Unified School District.
